

alivfibr.com

Important notice to ALIVFibr customers.

As of August 16th, we're making updates to select ALIVFibr plans, including changes to monthly pricing and enhancements designed to give you even more value. Customers will now enjoy increased speeds on select plans and the inclusion of a Nokia mesh Wi-fi extender on eligible packages. Customers whose plans are affected have been notified via email with details about their updated service. Please see the changes listed below:
